*" LOVE WHAT YOU DO. ENJOY LISTENING TO PEOPLE. IT CAN BE HARD
WORK, BUT THE POTENTIAL FOR HELPING PEOPLE IS TREMENDOUS" –
ROBERT TISSERAND (AROMATHERAPIST, AUTHOR)*

*Indian Head Massage known has been practiced for many centuries as part of the family
health care. Ayurvedic doctors practiced it for skin rejuvenation and as part of an anti-
aging technique. Indian mothers would massage their babies' hair, head neck and
shoulders to stimulate growth and relaxation.*

WHAT ARE THE BENEFITS?

- Indian head massage goes beyond the purely aesthetic and superficial
 - I Stimulates **nerve function**,
 - Improves **relaxation** , creating **calmness** and **emotional well-being**.
 - **Concentration** and **alertness** are optimized.
- Other benefits include: *tension headaches, eye-strain, ear problems, neck and shoulder stiffness, Bell's Palsy, sinusitis, scalp tension and mental fatigue*
