ISN'T IT ABOUT TIME TO PUT THE WOWBACK INTO YOUR THERAPY ?

Japanese Facial Massage is a unique method that blends the aesthetic and physiological to take years off the skin and face!

The focus is on:

1. Increasing the flow of oxygen AND BLOOD TO THE FACIAL AREA, NECK AND SHOULDERS
2. Toning, tightening the skin and fascia
3. Lymphatic drainage and detoxification of skin and organ systems
4. Better mental alertness, focus and relaxation for the client
5. Emotional cleansing through the application of essential oils
6. Preventive maintenance for aging and skin blemishes
7. Skin lift and facial rejuvenation manipulations

Traditionally, through the use of acupressure and special manipulative massage strokes, the treatment goes beyond Swedish massage and concentrates on opening up the acupuncture meridians that *energize* the face, head and shoulders to achieve a balancing and grounding effect.

Additional physiological relief is obtained for all types of headaches, TMJ DYSFUNCTIONS, sinusitis and emotional balancing

This is a hands-on course where the student learns to incorporate theory with working with Qi gates, using penetrating techniques, field awareness and intention. The practitioner goes beyond the superficial beauty of the client by bringing out the

RADIANCE OF INNER HEALTH

IN THIS COURSE YOU WILL LEARN:

1. THE CAUSES OF SKIN DISEASES AND AGING ACCORDING TO THE CHINESE MEDICAL MODEL
2. MANY SOFT-TISSUE STROKES FOR *REJUVENATION AND PREVENTION OF AGING*
3. THE FUNCTION OF ACUPRESSURE POINTS, THEIR LOCATION AND EVALUATION ON THE FACE, NECK AND SHOULDERS
4. SPECIAL USES OF ESSENTIAL OILS FOR THE FACE, EARS AND CONSTITUTION THAT REJUVENATE SKIN, ACT AS ANALGESICS AND REVITALISE THE CIRCULATION AND LYMPHATICS
5. FACIAL SKIN-LIFT QIGONG MASSAGE STROKES
